# 40 YEAR GOALS

These are the 'big picture' things that God has spoken to us as a church family.

- We will be a church without walls - we believe that God is asking us to be a family of believers who are not confined to a building.
- We will see the manifest glory of God; miracles, signs and wonders in our community.
- We will be a transformational hub for our community.
- We will operate out of a Kingdom culture where every tribe and tongue expresses the Kingdom of God in a unique way.
- We will be a family of believers that connects deeply and authentically with God and one another, where every generation flourishes.

# 5 YEAR GOALS

This is what we are aiming to see in the next 5 years as we look towards our 40 year vision.

- For every person who is a part of the CBC family to be connected to a small group.
- For individuals and small groups to be activated to bring community transformation wherever they go.
- To be a church where all ages are welcomed and valued and know that their contribution is welcomed and valued.
- To provide parenting courses to equip the church and our community, and to build relationships with families in our town.
- To see the growth of the Kingdom of God by people being saved.

# 1 YEAR GOALS

This is what we are going to be doing in the first 12 months, as we work towards our 40-year vision.

- We will communicate, embed and live the mission, vision, core values and culture.
- We will launch our small groups.
- We will identify people who have a passion to equip families.
- We will increase the number of people on Sunday children's teams.
